Address:

Phone / Email:

Puppy Sex:

Date of Birth:

Purchase Price:

Deposit Paid:

Sire: Autumn's Sunka Luta Naco MH95 RN CGC CCA WCX HTHF

Dam: HRCH UH Thunderstruck Liberty Belle MH WCX

All puppies are sold as **family companions** with **Limited AKC Registration**.

2. What Firelight Goldens Provides

Firelight Goldens guarantees that each puppy:

- Has received age-appropriate vaccinations and deworming
- Has been examined by a licensed veterinarian
- **Has front dewclaws intact**
- *(Optional)* Rear dewclaws, if present, are removed for safety
- Comes with a written health record
- Has been raised with Early Neurological Stimulation (ENS), Early Scent Introduction (ESI), structured socialization, early potty conditioning, and age-appropriate bird exposure (when suitable for the litter)

We make every effort to produce healthy, sound puppies with excellent temperament and natural retriever instincts.

3. Initial Health Guarantee (48 Hours)

The puppy is guaranteed to be in good health at the time it goes home.

Buyer must have the puppy examined by a licensed veterinarian within **48 hours** of pickup. If the veterinarian identifies a serious health condition present at the time of sale, the Buyer may return the puppy for a **full refund of the purchase price**.

This initial guarantee does not cover:

- parasites (worms, giardia, coccidia)
- minor or temporary conditions
- illnesses caused by improper care after pickup

If the puppy is not examined within 48 hours, this initial health guarantee becomes void.

4. Genetic Health Guarantee (24 Months)

Firelight Goldens provides a **24-month genetic health guarantee** covering:

- Hip dysplasia (moderate or severe)

- Elbow dysplasia (grade II or higher)
- Hereditary heart disease (confirmed by a board-certified cardiologist)
- Hereditary eye disease causing early blindness (confirmed by a board-certified ophthalmologist)

If a covered condition is diagnosed and confirmed by OFA or a board-certified specialist, Firelight Goldens will refund **100% of the original purchase price** to the Buyer.

The puppy does **not** need to be returned.

This guarantee is void if the dog is bred, intentionally or unintentionally.

Refund applies only to the original purchase price and does not include veterinary costs, OFA fees, or other expenses.

5. Genetic Testing

Firelight Goldens performs **Embark DNA testing** on each puppy. The Buyer will receive a copy of the full genetic report.

Genetic testing provides information on breed-relevant conditions but does **not** replace OFA orthopedic or cardiac evaluations, nor does it guarantee the absence of future health issues.

6. Buyer Responsibilities

To keep the health guarantee valid, Buyer agrees to:

- Provide routine veterinary care, vaccinations, and parasite prevention
- Maintain the puppy at a healthy weight
- Feed a high-quality diet appropriate for large-breed puppies
- Avoid excessive exercise, forced running, or repetitive jumping until growth plates close (approx. 18–24 months)
- Provide proper socialization, training, and a safe living environment
- Not spay/neuter before **18 months** of age
- Register the puppy with AKC using the prefix **“Firelight”**

- Notify Firelight Goldens if the puppy develops any serious health condition
- **Maintain dewclaw nail trimming as part of routine grooming**

7. Limited Registration & Eligibility for Full Registration

This puppy is sold with **Limited AKC Registration**, meaning the dog may not be bred and any offspring cannot be registered with AKC.

Firelight Goldens may, at its sole discretion, convert the dog's registration to **Full AKC Registration** once the Buyer provides proof that the dog has completed all required health clearances:

- OFA Hips (Fair, Good, or Excellent)
- OFA Elbows (Normal)
- OFA Heart (Board-Certified Cardiologist)
- OFA Eyes (Board-Certified Ophthalmologist)
- OFA CHIC number issued
- Any additional DNA testing recommended by Firelight Goldens

Buyer must submit official documentation directly from OFA and/or the examining specialists.

If all requirements are met, Firelight Goldens will submit the AKC registration status change to Full Registration. Buyer is responsible for any AKC fees associated with the registration change.

Full Registration is **not guaranteed** and may be denied if the dog does not meet Firelight Goldens' breeding standards for health, temperament, or structure.

Breeding the dog before receiving Full Registration voids all guarantees and may result in additional fees.

8. Return / Rehoming Policy

If at any time the Buyer cannot keep the puppy, Firelight Goldens retains **Right of First Refusal**.

Buyer agrees **not** to surrender the dog to a shelter, rescue, broker, or pet store. Firelight Goldens will assist in rehoming or may take the dog back directly. No refund is guaranteed, but any rehoming fees may be returned to the Buyer after expenses.

9. Condition of Sale

Buyer acknowledges:

- The puppy is sold as a companion animal
- Temperament cannot be guaranteed
- Environmental factors, training, and care significantly influence development
- This contract represents the full agreement between Buyer and Seller
